

# Remove Background Image in 3 Easy Steps **Scribe**

1 Navigate to <https://www.remove.bg/upload>

2 Click "Upload Image"

### 3 Click "Download"

The screenshot shows a web interface for a design tool. At the top, there are navigation links: "id", "How to use", "Tools & API", and "Pricing". On the right side, there are "Log in" and "Sign up" buttons. The main content area features a central image of a black, stylized cat with a curled tail on a transparent background. To the right of the image is a vertical toolbar with three options: "Add background", "Erase/Restore", and "Create design". Below the image are three download buttons: a blue "Download" button (highlighted with an orange circle), a grey "Download HD" button, and a grey "Download HD" button. The dimensions for each are listed below the buttons: "500 x 500 px" and "1024 x 1024 px". At the bottom right, there is a "Rate this result" section with icons for a thumbs up, a thumbs down, and a trash can.
