### Who Is Elon Musk?

<https://www.investopedia.com/articles/personal-finance/061015/how-elon-musk-became-elon-musk.asp>

Elon Musk is the CEO of Tesla, an electric car maker, and SpaceX, a rocket manufacturer. He was the richest person in the world in 2021 and continues to hold that title as of February 15, 2024. Musk has been compared to other famous tycoons such as Steve Jobs, Howard Hughes, and Henry Ford. He was also involved in a deal to take ownership of the social media company X (formerly Twitter). Musk was born in Pretoria, South Africa, and has a background in physics. He started his entrepreneurial journey with companies like Zip2 and X.com before finding success with PayPal. Despite his achievements, Musk has described his childhood as difficult and filled with adversity.
